IF the Answer to any of the Questions above is YES " STOP DO NOT PROCEED " DO NOT TRAVEL TO THE LODGE!

In signing this declaration you agree that a \$500 cleaning bond may be deducted from your credit card if you do not complete requested cleaning and disinfecting at the end of your stay.

Please circle the response, Sign to complete and Scan or Photograph and send to Snow Plough booking officer.

If you test positive to COVID within 14 days of leaving the lodge please report this to the booking officer.

Dear Club Members

We live in unprecedented times where there are unprecedented health risks and this also involves some unprecedented procedures that will enable us to use the Ski Lodge and we appreciate your assistance in meeting these requirements otherwise none of us will be able to access the lodge this season.

Please familiarise yourself with NSW and Federal Government regulations at the following links and take appropriate health precautions.

<https://www.nsw.gov.au/covid-19/what-you-can-and-cant-do-under-rules>

In providing payment to use the lodge you agree that you do so at your own risk and Snowplough Ski Club makes no guarantee to the COVID safety of the accommodation provided.

Snowplough Ski Club will introduce the following additional requirements associated with using the lodge as reasonable precautions to provide a clean accommodation space.

1 Firstly there will be no unaccompanied guests going to the lodge throughout this ski season due to social distancing the numbers will be restricted and hence available bookings will be restricted. Limiting unaccompanied guests will leave more access for members.

2 Guests may accompany Members as long as you all meet the COVID health requirement and comply to Government regulations on numbers in venues and social distancing.

3 The Lodge will be separated into Two Booking Zones up stairs and down stairs hence only two groups can visit at one time. Each Group must comply to any Government regulations at the time of visiting the Lodge including social distancing and group numbers (eg a maximum of 10 (Gov Rules) people per zone or the Zone capacity (only 8 beds are available in the single area). We discourage people from each group mingling unless this is done outside the lodge.

4 Two member groups may join together to fill a Zone where they are comfortable in sharing the space and are limited to the Government regulations on numbers in venues and social distancing.

5 We will be asking that you complete and sign a COVID Health form (Attached) on behalf of ALL your booked group so take the time to ask your group these questions prior to travelling and consider others by staying away if your health is not perfect.

6 In making your booking you will also agree that a refundable \$500 bond may be taken by the Club that can be deducted from your credit card should you fail to comply with additional cleaning requirements. If need be the bond will be used to have professional cleaners complete cleaning that we have asked you to complete.

7 In addition to any normal cleaning as is posted around the lodge you will complete all of the following for your accommodation zone utilizing the provided disinfectant, gloves and wipes. Do not remove any cleaning products for personal use so they remain available for the next visitor.

- Use supplied cleaning / disinfectant products to wipe all hard surfaces, including,
- Kitchen benches, cupboard doors and handles, stove tops, fridge doors and shelves and sinks and waste bin lids.
- Bath room bench tops, sink, shower and toilets and mop floors
- Dining area tables and chairs hard surfaces are to be wiped with disinfectant
- Any living room furniture hard surfaces is to be wiped with disinfectant
- Door handles and light switches in all rooms and exit door are to be wiped with disinfectants.
- Bedroom rails and shelving and portable heaters

- These tasks make the lodge safer for all to use including yourself if you make a second visit later in the season hence you should make sure you leave enough time to complete this cleaning in a thorough fashion.
- Dispose of all food, rubbish and used cleaning products so the lodge is left empty of these items when you leave.

8 All club supplied food stuff such as coffee and sugars/ salts will be removed from the lodge and visitors should fully cater for themselves, including tea towels which will not be available from the club.

9 Members should supply all linen including a bottom and top sheet with NO exceptions and provide own pillows. Remove all your own linen when leaving. If you forget to bring sheets go to the shop and buy some. Note, The club supplied pillows will be removed and only matrices covers left in place.

We appreciate your compliance with the new rules for the benefit of all member. These rules are in place to provide a safe environment for those who visit and keep the lodge open for use.

"As Jacinda Ardern told NZ you have to act like you have COVID-19 and don't want to give it to anybody else."

Please stay Safe

Martin Schaut

Club President
